SUMMARY

Strategic, systems-minded leader with 12+ years of experience driving business operations and cross-functional programs across engineering, product, and customer success. Proven track record of launching new businesses, scaling distributed teams, and aligning stakeholders from boardrooms to frontlines.

Led global operational initiatives and post-Series C growth at a cybersecurity SaaS firm, building customer-first systems and guiding cross-border delivery efforts. Known for distilling complexity into clear strategies, aligning technical execution with market needs, and fostering cultures of ownership and innovation.

CORE COMPETENCIES

- Strategic Planning & Global Program Execution
- Cross-Functional Team Alignment (Eng, Product, CX, Ops)
- Marketplace & SaaS Ecosystem Experience
- Operational Design for Scale & Expansion
- Executive Stakeholder Communication
- Process Optimization & Risk Assessment
- Customer Experience Strategy & Community Building
- Fluent in Mandarin Chinese

PROFESSIONAL EXPERIENCE

SPIDEROAK

Vice President, Operations

Aug 2022 – Present

- Owned strategic operations across Engineering, HR, Customer Success, DevOps, and IT for a global remote team.
- Directed multi-year roadmap execution across business units, supporting secure product rollouts in space, defense, and enterprise verticals.
- Collaborated with product, finance, and marketing teams to design and execute go-to-market programs aligned with investor milestones.
- Co-led post-Series C growth planning; secured \$13M in funding and translated board vision into department KPIs.
- Embedded with implementation and support teams to ensure high-quality delivery and operational excellence across customer journeys.

Vice President, Customer Success**Oct 2018 – Jul 2022**

- Built the customer success org from scratch, growing ARR by 15% and increasing retention by 25%.
- Acted as internal GM for CrossClave (secure collaboration platform), collaborating with engineering and product to validate use cases and remove adoption friction.
- Integrated new SaaS billing and account systems, cutting operational overhead and improving reporting accuracy by 30%.
- Created feedback loops to influence roadmap, identify risk, and scale high-impact customer behaviors across regions.

Customer Success Director**Jan 2017 – Sep 2018**

- Orchestrated post-sale operations and coordinated handoffs across product, support, and sales.
- Launched AI-driven help center and ML-powered workflows, reducing backlog by 80% and resolution times by 60%.
- Designed and executed onboarding programs to increase speed-to-value across diverse customer segments.

Support Engineer**Jan 2014 – Jan 2017**

- Managed full lifecycle support: onboarding, issue resolution, account transitions, and customer education.
- Served as de facto community engagement lead—fielding high-sensitivity issues and developing self-serve tools for global user base.

PROJECTS & VENTURES

FREELANCE CONSULTANT

Jul 2013 – Present

- Advised founders and small teams on operational scale, community engagement, and digital growth strategies.
 - Built internal systems and content workflows for early-stage businesses across education, insurance, and climate tech.
 - Delivered programs that increased conversion, reduced churn, and enabled nimble expansion.
-

COMMUNITY & ADVISORY LEADERSHIP

RUSH CREEK VOLUNTEER LEADERSHIP TEAM

Community Strategy & Operations Lead

Aug 2023 – Present

- Lead operational programs for 375-member group, balancing short-term crisis response with long-term volunteer development.
- Built mentorship systems and resource-sharing frameworks to empower emerging leaders and create sustainable engagement.

KANSAS CITY JAZZ ACADEMY

Instructor & Youth Mentor

Sep 2018 – Present

- Mentor young musicians and lead ensemble collaboration; reinforce values of creative excellence and emotional intelligence.

MANY MOODS CHOIR & ORCHESTRA

Board President

Jul 2014 – Jun 2020

- Directed nonprofit programming and growth efforts; scaled audience and donor engagement across regional events.
-
