## SUMMARY

People-centered engineering leader with a decade of experience growing cross-functional teams and shipping secure SaaS products. Proven ability to lead through ambiguity, scale operations, and develop emerging leaders across engineering, DevOps, product, and customer domains. Fluent in modern cloud architectures, lifecycle management, and stakeholder alignment.

Built high-performing teams and collaborative systems that supported major product launches, operational scale, and Series C fundraising. Passionate about nurturing talent, building shared success, and aligning technical execution with company vision.

---

## CORE COMPETENCIES

- Cross-Squad Engineering Leadership
- Mentorship & Leadership Development
- Scalable Team Operations (Remote & Hybrid)
- SaaS Architecture & Cloud Systems
- Agile Product Collaboration & Delivery
- Culture-Building & Internal Comms
- Strategic Planning & Resource Allocation
- Full Lifecycle Customer Experience
- Fluent in Mandarin Chinese

---

## PROFESSIONAL EXPERIENCE

### **SPIDEROAK**

---

## ***Vice President, Operations***

### **Aug 2022 – Present**

- Provided strategic leadership for engineering, DevOps, HR, IT, and customer teams across fully remote org of 35+.
- Oversaw multiple engineering squads, improving cross-functional delivery velocity by 40% via new agile cadences and resource planning systems.
- Launched internal coaching program to grow new leaders—3 engineers promoted to manager roles in under a year.
- Partnered with CEO and finance to secure \$13M Series C funding, translating board priorities into ops and technical KPIs.
- Championed inter-team collaboration rituals, improving satisfaction scores across engineering, design, and product.

## ***Vice President, Customer Success***

### **Oct 2018 – Jul 2022**

- Built the customer success and support org from zero to a multi-role function embedded with product and engineering.
- Acted as product owner for secure collaboration platform CrossClave; led roadmap planning and market alignment alongside PM and design.
- Spearheaded SaaS billing and backend refactor, cutting support tickets by 35% and reducing payment errors by 30%.
- Drove cross-squad bug triage and product insight loops, becoming key liaison between customer teams and engineering.
- Fostered a culture of ownership and continuous feedback, increasing team engagement and retention.

## ***Customer Success Director***

### **Jan 2017 – Sep 2018**

- Modernized support operations with queue triage, automation, and ML tools—resolution time dropped 60%.
- Embedded customer-facing teams with marketing and product to align messaging and onboarding flows.
- Rolled out CSM training curriculum used company-wide to level up coaching, onboarding, and retention strategies.

## ***Support Engineer***

### **Jan 2014 – Jan 2017**

- Delivered technical support across macOS, Linux, and Windows; managed billing and CRM infrastructure.
- Built internal documentation and customer-facing onboarding systems still in use by GTM teams.

---

## **PROJECTS & VENTURES**

## ***FREELANCE CONSULTANT***

---

### **Jul 2013 – Present**

- Supported 10+ startups and nonprofits in improving digital operations, launching web funnels, and automating systems.
  - Delivered full-stack solutions (WordPress, no-code tools, AI workflows) to reduce manual load and scale outreach.
- 

## **COMMUNITY & LEADERSHIP**

---

### ***RUSH CREEK VOLUNTEER LEADERSHIP TEAM***

---

*Community Ops & Leadership Mentor*

#### **Aug 2023 – Present**

- Lead ops for 375-member community group; oversee youth mentorship, crisis response, and leadership development.
- Coach emerging leaders in effective delegation, emotional intelligence, and collaborative problem solving.

### ***KANSAS CITY JAZZ ACADEMY***

---

*Jazz Bass Instructor*

#### **Sep 2018 – Present**

- Teach bass and coach youth ensembles; foster creativity, discipline, and confidence in performance settings.

### ***MANY MOODS CHOIR & ORCHESTRA***

---

*Board President*

#### **Jul 2014 – Jun 2020**

- Directed nonprofit board and seasonal concert productions; expanded audience reach and built sustainable donor programs.
- 

## **EDUCATION**

---

### **B.S., History**

*Missouri Western State University*

#### **2000 – 2005**

*Built foundational research and systems-thinking skills through historical analysis and cross-disciplinary study.*
