SUMMARY

Customer-obsessed, multilingual operator with 10+ years leading go-to-market, customer success, and cross-functional teams in complex tech environments. Former VP at SpiderOak with experience scaling SaaS operations and supporting strategic initiatives in the satellite and space sector. Proven record of aligning sales, engineering, and product teams to meet ambitious growth targets and secure multi-million dollar deals.

Actively involved in SpiderOak's entry into the space market over the past four years, contributing to strategy, partnerships, and execution in cybersecurity for space-based systems. Bring strong domain awareness of the satellite ecosystem and its commercial challenges. Fluent in Mandarin Chinese with global coordination experience and deep systems-thinking capability.

CORE COMPETENCIES

- Satellite & Space Sector Familiarity
- Strategic Account Management & GTM Strategy
- Technical Product Integration & Value Articulation
- Sales Enablement & Contract Negotiation Support
- Customer Experience Design & Retention Strategy
- Cross-Functional Stakeholder Alignment
- SaaS Operations & Pipeline Optimization
- Fluent in Mandarin Chinese

PROFESSIONAL EXPERIENCE

SPIDEROAK

Vice President, Operations

Aug 2022 – Present

- Led company-wide operations across Engineering, IT, DevOps, HR, and Customer Success for a secure communications company expanding into the space and satellite market.
- Supported strategic BD efforts targeting aerospace, defense, and mobility sectors with cybersecurity-first SaaS solutions.
- Collaborated closely with engineering and product leaders to shape offerings aligned to satellite ecosystem needs and deployment constraints.
- Helped align investor communications and operational KPIs around our growing space portfolio during Series C fundraising.

Vice President, Customer Success

Oct 2018 – Jul 2022

- Built customer success org from scratch, raising customer retention by 25% and growing ARR by 15%.
- Led high-stakes engagements in regulated environments, including early satellite sector partnerships and cybersecurity pilots.
- Acted as executive liaison with Fortune 500 clients and public-sector partners.
- Guided post-sales enablement and contract renewal support across global accounts.

Customer Success Director

Jan 2017 – Sep 2018

- Designed support strategies for onboarding technical customers in security-sensitive fields.
- Improved internal coordination between GTM, product, and engineering by deploying real-time feedback loops and automation tools.
- Deployed ML-powered help center and AI-driven chat support, cutting average customer wait time in half.

Support Engineer

Jan 2014 – Jan 2017

- Delivered technical support and onboarding for global users across SaaS platforms, with emphasis on secure communications.
- Collaborated with marketing and product to build multilingual documentation and support flows.

PROJECTS & VENTURES

FREELANCE CONSULTANT

Jul 2013 – Present

- Advised founders in aviation, energy, insurance, and education sectors on customer onboarding and workflow automation.

- Led end-to-end technical builds including CRM integrations, automation design, and growth optimization.
 - Managed remote engagements across U.S. and Asia, leveraging Mandarin fluency.
-

COMMUNITY & ADVISORY LEADERSHIP

RUSH CREEK VOLUNTEER LEADERSHIP TEAM

Volunteer Community Leader

Aug 2023 – Present

- Lead operations for a 375-member volunteer network, providing leadership training, crisis support, and stakeholder alignment.
- Designed scalable community welfare programs and managed cross-functional communications.

KANSAS CITY JAZZ ACADEMY

Jazz Bass Instructor

Sep 2018 – Present

- Mentor and teach youth ensembles with a focus on collaboration, creativity, and performance skills.

MANY MOODS CHOIR & ORCHESTRA

President, Board of Directors

Jul 2014 – Jun 2020

- Directed operations for a regional nonprofit arts organization, overseeing concert production, donor relations, and team leadership.
-

EDUCATION
