SUMMARY

Strategic operator and Chief of Staff-level executive with 10+ years at SpiderOak, scaling from frontline support to VP. Deep experience across engineering, HR, DevOps, support, and product. Proven track record of driving cross-functional execution, aligning OKRs to board priorities, and optimizing internal communications to accelerate decision-making.

A people-first generalist fluent in both technical systems and executive dialogue. Adept at turning ambiguity into action, designing processes that scale, and serving as a trusted partner to the CEO. Built and led remote teams, supported successful fundraises, and executed high-leverage projects across SaaS operations.

CORE COMPETENCIES

- Executive Enablement & CEO Support
 - Strategic OKR Planning & Cross-Functional Alignment
 - Internal Communication & Decision-Making Frameworks
 - SaaS Ops: Engineering, HR, IT, DevOps, Customer Success
 - Workflow Design & Automation (Python, APIs, AI Tools)
 - High-Impact Project Management
 - Leadership Development & Organizational Coaching
 - Fluent in Mandarin Chinese
-

PROFESSIONAL EXPERIENCE

SPIDEROAK

Vice President, Operations

Aug 2022 – Present

- Acted as a strategic right hand to the CEO, managing company-wide operations across Engineering, DevOps, IT, HR, Customer Success, and Assurance.
- Spearheaded cross-functional OKR rollout, ensuring alignment across business units and C-Suite.
- Drove executive prioritization by introducing decision-support frameworks and structured follow-ups for leadership meetings.
- Supported \$13M Series C raise by aligning ops KPIs with board strategy and preparing key investor materials.
- Managed confidential internal projects, including department restructuring and vendor transitions.

Vice President, Customer Success

Oct 2018 – Jul 2022

- Built CS function from the ground up, increasing retention by 25% and boosting ARR by 15% through high-touch onboarding and proactive support.
- Served as internal bridge between product and customer, translating insights into roadmap priorities.
- Designed and implemented scalable support systems including AI-based chat, documentation, and analytics.
- Oversaw internal comms for customer-related insights, creating regular CEO briefings and board updates.

Customer Success Director

Jan 2017 – Sep 2018

- Consolidated fragmented support workflows into a single global queue system, reducing resolution time by 60%.
- Rolled out ML-driven self-service tools, improving first-response speed and lowering ticket volume.
- Collaborated cross-functionally with Sales, Marketing, and Product to ensure a unified GTM experience.

Support Engineer

Jan 2014 – Jan 2017

- Delivered expert-level technical support for complex customer issues in Linux/macOS SaaS environments.
- Maintained billing and subscription systems and created support knowledge base and onboarding flows.

PROJECTS & VENTURES

FREELANCE CONSULTANT

Jul 2013 – Present

- Delivered operational lift to 10+ founders and small teams by streamlining internal systems, implementing automated workflows, and improving decision-making clarity through better tooling.
 - Projects included internal dashboards, hiring process revamps, and client-facing presentation decks.
-

COMMUNITY & ADVISORY LEADERSHIP

RUSH CREEK VOLUNTEER LEADERSHIP TEAM

Volunteer Community Leader

Aug 2023 – Present

- Lead strategic planning and operational execution for a 375-member group, including youth mentorship, crisis response, and leadership development.

KANSAS CITY JAZZ ACADEMY

Jazz Bass Instructor

Sep 2018 – Present

- Mentor students and lead ensemble rehearsals in a nationally recognized jazz education program.

MANY MOODS CHOIR & ORCHESTRA

President, Board of Directors

Jul 2014 – Jun 2020

- Oversaw nonprofit operations, managed board activities, and led successful community fundraising efforts.
-

EDUCATION

B.S., History

Missouri Western State University

2000 – 2005

Emphasis on research, systems thinking, and communication—foundational to my strategic approach.
