SUMMARY

Strategic and empathetic operator with a decade of leadership experience spanning product, engineering, customer success, and ops. Built and scaled secure, user-centric SaaS products in startup and growth-stage environments. Proven track record of aligning roadmaps to customer needs, leading cross-functional teams, and shipping resilient systems under tight constraints. Fluent in translating complexity into clarity—whether across engineering, execs, or end users.

CORE COMPETENCIES

- Technical Program Management & Roadmap Execution
- Cross-Functional Team Alignment & Communication
- Risk, Trust & Incident Response Strategy
- SaaS Product Development & Lifecycle Ownership
- Customer-Centered Design & Feedback Loops
- Operational Systems & Hiring Infrastructure
- Secure Collaboration & Compliance Coordination
- Leadership Development & Coaching
- Fluent in Mandarin Chinese

PROFESSIONAL EXPERIENCE

SPIDEROAK

Vice President, Operations

Aug 2022 – Present

- Directed operations across Engineering, DevOps, IT, HR, Assurance, and Customer Success, with a focus on delivering secure-by-design SaaS collaboration tools.
- Partnered with Product and Engineering to improve roadmap delivery accuracy by 30%, implementing milestone tracking and scope triage practices.
- Co-led quarterly incident response reviews and postmortems, feeding real-world failure modes into risk and trust mitigation playbooks.
- Designed and scaled hiring systems post-Series C, reducing time-to-hire by 50% and improving diversity pipeline metrics.
- Created internal leadership training focused on cross-functional execution, decision velocity, and team resilience.

Vice President, Customer Success

Oct 2018 – Jul 2022

- Built the Customer Success org from scratch, achieving a 25% increase in retention and 15% ARR growth through integrated product feedback loops.
- Served as de facto TPM for key roadmap features in CrossClave, aligning engineering, compliance, and user needs.
- Led redesign of backend billing and analytics infrastructure—cutting billing errors by 30% and reducing support escalations by 40%.
- Maintained strong relationships with high-sensitivity clients (e.g., defense, privacy-forward orgs), leveraging trust-building strategies and transparency practices.

Customer Success Director

Jan 2017 – Sep 2018

- Introduced queueing system and automation tools that reduced backlog by 80% and support response times by 60%.
- Rolled out ML-powered help center and AI support workflows—cutting average wait time by over 50%.
- Collaborated with marketing and sales to unify GTM efforts, ensuring feedback and documentation remained consistent across functions.
- Led onboarding and continuous training for CSMs and agents, incorporating real-time metrics and CSAT data.

Support Engineer

Jan 2014 – Jan 2017

- Delivered high-quality technical support via email, video, and live chat.
- Managed internal billing and account tools, collaborating with engineering and design teams to improve usability and reduce friction.

- Created onboarding flows and technical documentation for both internal teams and customers.
-

PROJECTS & VENTURES

FREELANCE CONSULTANT

Jul 2013 – Present

- Advised 10+ early-stage founders in education, solar, and publishing on process automation, funnel optimization, and digital product delivery.
 - Built end-to-end solutions—from no-code prototypes to full-stack WordPress builds—focused on reducing manual work and improving UX.
 - Integrated payment platforms, analytics dashboards, and workflow tools to streamline operations and scale delivery.
-

COMMUNITY & ADVISORY LEADERSHIP

THE CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS

Bishop – Rush Creek Ward

Aug 2023 – Present

- Lead a 375-person congregation, overseeing spiritual, operational, and crisis-response efforts.
- Provide individual counseling, coordinate humanitarian outreach, and lead a 25-person volunteer leadership team.
- Built youth leadership pipeline through mentoring and strategic delegation.

KANSAS CITY JAZZ ACADEMY

Jazz Bass Instructor

Sep 2018 – Present

- Teach jazz bass and coach ensembles as part of the American Jazz Museum's education program.
- Designed custom curriculum for students ages 12-18, focusing on improvisation, group dynamics, and performance readiness.

MANY MOODS CHOIR & ORCHESTRA

President, Board of Directors

Jul 2014 – Jun 2020

- Oversaw programming, fundraising, and community partnerships for a regional nonprofit arts org.
 - Led the board through a multi-year growth strategy, doubling annual attendance and tripling donor base.
-

EDUCATION

B.S., History

Missouri Western State University

2000 – 2005

Trained in research, analysis, and systems thinking—foundational for modern product and program leadership.

TOOLS & TECHNOLOGIES

Programming & Data

Python (pandas) • JavaScript • HTML/CSS • Jupyter • REST APIs
